Architecture Integration

May 4, 2004

U.S. AIR FORCE

U.S. AIR FORCE

Recap

1. GCSS-AF

- Need to better understand EDW impact on individual and integrated architecture efforts
- Scheduled a briefer for this meeting

2. EAP/PSCM

- Illustrated the complexity and the value of integrating multiple architecture efforts
- Need to continue this group's efforts; scheduled additional Arch updates for this meeting (FM, AQ)

3. LogEA

- Agreement to use the Future State diagram as launching point to develop common capability definitions
- Working session schedule during second half of this meeting
